

## Data Sheet

### Power Double USB-C/A Socket PD/QC

Art. Nr. 67353000 (BP)

Art. Nr. 67353500 (SP)

24.10.2022

|                              |                                                                                |
|------------------------------|--------------------------------------------------------------------------------|
| Input voltage:               | 8 - 30 Volt DC                                                                 |
| Output USB-A:                | 5V/2,2A, 9V/2,2A, 12V/2,2A                                                     |
| add. at input 24V:           | 15V/2A, 20V/1,5A DC                                                            |
| Output USB-C:                | 5V/3A, 9V/3A, 12V/2,5A                                                         |
| add. at input 24V:           | 15V/2A, 20V/1,5A DC                                                            |
| Output Power max.:           | 2 x 30W                                                                        |
| Protocol A socket:           | Quick Charge, PPS                                                              |
| Protocol C socket:           | Power Delivery, Quick Charge, PPS                                              |
| Idle current:                | max. 5 mA                                                                      |
| Protection against:          | short circuit, overload , overvoltage,<br>overtemperature and reverse polarity |
| Control LED:                 | blue                                                                           |
| Panel thickness:             | from 2 mm to 16 mm                                                             |
| Installation inner diameter: | 28 mm (27,8mm)                                                                 |

#### Material:

|                     |             |
|---------------------|-------------|
| Housing:            | Makrolon    |
| Temperature stress: | max. 130 °C |

#### Cable:

|         |                                   |
|---------|-----------------------------------|
| Strand: | 2 x 0,5 mm <sup>2</sup> red/black |
| Length: | 150 mm                            |

## Power Double USB-C/A Socket PD/QC

Art. Nr. 67353000 (BP)

Art. Nr. 67353500 (SP)
